Tier I Interview

30-day Promotion

PREMIUM PROMOTION PACKAGE

Our packages give artists, authors, and on-line advisors the information and tools they need to navigate the rapidly changing landscape of self-promotion. We work every day to create a future where players are fairly represented and recognized for their work.

Our specialty is in understanding the needs of our clients without breaking their budget at the same time. We hold many exclusive contracts, have the most impact on breaking ground for new music, books, and services; and the most bang for your hard-earned buck.

Do you find yourself performing free and offering services at give-away prices all too often?

Tier I promotion is for mature artists and service providers that are ready to take their career seriously at the next level. Often causing a quick pop of explosive interest, this promotion is for those who are prepared to exploit the opportunities this presents. Are you ready to charge what you are worth? Are you prepared to get the recognition you deserve?

We work with you to construct a professional press statement based on your bio and career expansion plans. We will garner media interest in your radio interview, which connects you to your current and future fans, colleagues, venues, and clients.

We distribute your Mp3, add it to your Press Release, and send it to media outlets who will be prepared to approach you, the expert in your field! We only accept prepared and seasoned artists to ensure congruence of our mutual success. You retain all copyright and ownership rights. An MP3 of your interview for you to continue to distribute to media and responsibility for your career, success, and profit. For those who want to dabble, we have ala carte services. This exclusive package is for those who are ready to take on new clients, new projects, and new sales gigs. The ultimate success of your career depends on you, our package presents you the opportunity to take your seat as a serious major industry player in your field.

Interview Details:

Your live chat interview is over the phone. It will be an announcement in the press release, broadcast LIVE to our International Partners, and recorded for you on Mp3 to distribute to further your career as a serious, bookable expert, talent, or artist. The Interview will be available 'on demand' and distributed via social media for 30 (consecutive) days for you proving recognition for the substantial commitment to industry leadership you deserve.
